Preliminary Agenda

7:30 AM  CONTINENTAL BREAKFAST & REGISTRATION

7:55 AM  WELCOMING REMARKS
Edward V. Platia, MD

8:00 AM  Interpreting Recent Clinical Trials: When Should Ablation be Front-Line Therapy for Atrial Fib
Zayd A. Eldadah, MD

8:20 AM  What Every Physician Needs to Know About Stroke Prevention
Manish H. Shah, MD

8:40 AM  Leadless Pacemakers: Now Dual Chamber
Sung Lee, MD

9:00 AM  How to Get Rid of Atrial Fibrillation Once and For All
John Day, MD

9:45 AM  BREAK AND VISIT EXHIBITS

10:15 AM  Role of the Apple Watch, Kardia and Other Biometric Data
John Day, MD

10:40 AM  Guideline Update and How to Prevent and Manage Anticoagulant-Related Bleeding in the Era of Specific Reversal Agents
Athanasios Thomaides, MD

11:05 AM  Defibrillator Update
David A. Strouse, MD

11:25 AM  What the Pediatric Electrophysiologist Thinks Every Adult Cardiologist Should Know
Elizabeth Sherwin, MD

11:45 AM  PANEL DISCUSSION
Moderator: Edward V. Platia, MD
Panelists: Zayd A. Eldadah, MD, PhD; John Day, MD; Sung Lee, MD; David A. Strouse, MD; Samer S. Najjar, MD; Manish H. Shah, MD; Athanasios Thomaides, MD

12:00 PM  LUNCH - Update on the Surgical Management of Atrial Fibrillation
Christian Shults, MD
1:00 PM  Ablation of Ventricular Arrhythmias Using New Energy Modalities: Gamma Knife Radiotherapy and Others
Sarfraz A. Durrani, MD

1:30 PM  When His Bundle Pacing is the Best Pacemaker Option
Aditya Saini, MD

1:55 PM  The VEST Trial: Current Role of Wearable Defibrillator in Clinical Practice
Margaret Bell Fischer, MD

2:20 PM  Optimizing Response to Cardiac Resynchronization Therapy
Seth J. Worley, MD

2:45 PM  BREAK

3:00 PM  Beyond Cardiac Resynchronization Therapy: New Pacing Techniques for Heart Failure Treatment
Samer S. Najjar, MD

3:20 PM  Rational Approach to Syncope in the Era of Long-Term Cardiac Monitors
Michael Goldstein, MD

3:40 PM  How to Use and Interpret Genetic Tests for Arrhythmia Syndromes
Susan M. O'Donoghue, MD

4:00 PM  PANEL DISCUSSION
Moderator: Edward V. Platia, MD
Panelists: Sarfraz A. Durrani, MD; Margaret Bell Fischer, MD; Aditya Saini, MD; Samer S. Najjar, MD; Susan M. O'Donoghue, MD; Seth J. Worley, MD

4:30 PM  ADJOURN
